

## **Qu'est-ce qu'il/elle porte?**

**Assignment:** You are working on making sure that the color adjectives match the clothes that you are describing. Colors must come after the clothing you're describing and agree in gender and number.

Ex: Je porte une robe VERTE et des sandales BLANCHES.

You must also make sure that you are using un/une/des correctly in front of the clothing because you are saying "A t-shirt" and not "the t-shirt." See underlined above.

**Purpose:** To make sure you are changing adjective endings correctly and using un/une/des correctly.

**Audience:** Teacher

**Form:** Mini descriptions

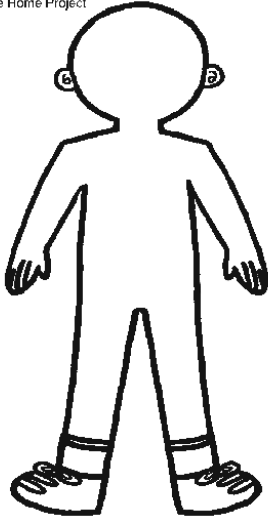

### **Focus Correction Areas:**

1. Each doll is colored with at least 2 different pieces of clothing from the vocabulary list (so a total of 6 different pices of clothing). (6 pts/-1)
2. Indefinite articles are used correctly (un/une/des) (3 pts/-1)
3. Colors are used after the clothes and in correct gender and number. (6 pts/-1)

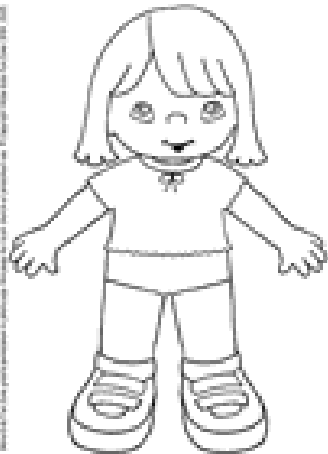

**DO NOT REPEAT ANY COLORS OR CLOTHING!**

FCA #1: clothes	/6
FCA #2: un, une des	/3
FCA #3: colors	<u>/6</u>
TOTAL	/15
