

LES CORVÉES CHEZ MOI

Situation:

Your French penpal wants to know details about what chores are done in your house, how often they are done, and who usually does and doesn't do the chores.

Focus Correction Areas (FCA's):

- 1) Detailed description of who does (and doesn't) do the chores at your house and how often they do them.
- 2) Correct language usage (chores and frequency words used and spelled correctly).
- 3) Verbs conjugated correctly
- 4) Variety of vocab, including **transition words** and VARIETY of **frequency words** (make super duper fancy schmancy creative sentences!)

Things to check for:

- 1) You start with a quick intro sentence or two
- 2) **Conjugated** verb in every sentence (check subject-verb agreement!).
Use present tense (NOT passé composé - ie: do NOT put avoir in front of your verb)
Second verb (if you have one) should be in infinitif (not conjugated).
- 3) You have mentioned how often (bottom of p. 43) chores are done (for EVERY chore, p. 42)
- 4) You have included transition words (p. 6)
- 5) You have checked spelling and accents
- 6) You have included **ALL** the chores (except those that aren't done in your house)
