# ¿En Busca de Empleo?

Choose 3 Jobs from your vocabulary list. Create a want ad, advertising for openings of those positions. You may NOT use any jobs from the reading. Include a small picture, and what the person needs to know how to do to complete that job. Also include information about the salary, whether it is full-time or part time, and description of the type of person they are looking for in that position. (You may use the reading to help you with some of those words.) Finally, include contact information.

## FCAs
